SOFIE TROLLE ÓMARSSON
Ambitious frontend developer, with a lot of drive

PROFILE
I have finished my education, at Business Academy Aarhus as a multimedia designer, specializing in frontend development, and I am therefore looking for a workplace with exciting challenges, for me to get in to.

I strive to do a "better than good" job. That also means, that even though I have finished my education, I am never done learning and gathering new knowledge. I love working with others in a team where you collectively do the best possible job, and where you can share knowledge, and learn from each other.

PERSONAL COMPETENCIES & PROPERTIES
Problem solver • Team player • Independent • Detail oriented • Flexible • Thinking outside the box • Hard working • Ambitious • Quick learner • Inspired • Reliable • Adaptable

PROFESSIONAL COMPETENCIES & PROPERTIES
Through my education as well as my internship, I have acquired several different skills and competencies, which I use when I develop websites and web-apps, where I strive to use the best practices, and reusable code.

Through my education, I and acquired a lot of competencies and abilities, within:

HTML5 and CSS, JavaScript (E6+), React.js, Firebase, WordPress and use of APIs.

In my spare time, I have further developed my skills, as well as acquired new skills and competencies, within:
Sass/SCSS, Vue.js and Next.js.

Through my internship, I have made use of all of the skills and competencies mentioned above, as well as expanded my knowledge, by working with:
Chakra UI, TypeScript and Umbraco CMS.

In addition, I am experienced in the Adobe programs Photoshop, Illustrator and XD, as well as Figma.

WORK EXPERIENCE

Aug 2022 - Dec 2022 Frontend Developer Intern
AKQA • Full time

Here, I primarily worked with JavaScript libraries and frameworks such as React and Next, as well as TypeScript, SCSS and Chakra UI.

In addition, I handled a customer's content in Umbraco CMS, for their websites in different languages. This consisted of creating and setting up new pages and content, and some troubleshooting.

2017 - 2018 Adult Substitute Distributor
FK Distribution • Part time

The job consists of handling and distributing newspapers on a given route. As an adult substitute for FK Distribution, it was my role to take over routes that were missing distributors, until a distributor could resume their route, or a new distributor arrived.

Feb 2016 - Jun 2016 Piccoline & Cleaner
Lemvig Tourist center • Part time

Here I performed various ad hoc tasks as needed, such as setting up posters and advertisements, distributing flyers, delivering mail, shopping, and dispatching expediting customers in the connected shop.

In addition, I was responsible for cleaning and tidying up the company's premises.

2014 - 2016 Cleaning assistant
Dancenter Holiday Homes • Part time

Here I took care of cleaning and preparation of holiday homes, before the guests' arrival, as well as the clean-up and cleaning after visits.
